

# Concrete Remediation Specialist

Date Posted: 1 October 2021  
Employment Type: Casual

## About Us

Mainmark is a privately-owned company and leaders in advanced ground engineering and asset preservation technologies. For more than 25 years, Mainmark has led the world in offering unique, innovative solutions for foundation and subsidence repair and rectifying problems in residential, industrial, commercial, civil engineering, and mining situations.

Our people are committed and focused on providing our customers with a service that is right the first time.

Want to know more? Head to our website at <https://mainmark.com/>

## About the role

We have 3 positions on offer: Concrete Remediation and Coating Specialist, Water Stop Injection Specialist, and Concrete Pump Operators to join our Civil and Mining division in NSW, VIC, or QLD.

Some of the technologies and solutions we focus on are concrete pumping, grout pumping and injection, ground stabilisation technologies, chemical injection, concrete repair and coatings, hand and spray-applied cementitious and other lining technologies, drilling and anchors, waterproofing, and civil construction.

Remuneration and benefits to be discussed during interview.

## About you

The successful candidates will have experience in either, concrete pumping, grout injection, dual component chemical injection, polyurethane, concrete finishing/concreting and concrete remediation, repair, and patching experience.

## Essential Skills

- › Valid C class licence (Manual)
- › White card
- › EWP tickets
- › RIW Ticket
- › Confined Space Certificate within last 12 months
- › MR/HR licence advantageous.

## We'd love to hear from you

To be considered for this role, please forward your CV and a covering letter to Head of People and Culture at [careers@mainmark.com](mailto:careers@mainmark.com) or via the [job advert on Seek](#).

*Please note all applications are reviewed upon submission with only shortlisted candidates contacted further about the position. Successful candidate will be required to pass a pre-employment medical including drug & alcohol screen and functional fitness assessment.*

*Mainmark's Recruitment Team kindly request no unsolicited resumes or approaches from Recruitment Agencies. Mainmark is not responsible for any fees related to unsolicited resumes.*
