About the role

Mainmark is seeking a hardworking individual to join our dynamic team of skilled technicians with previous experience in the construction industry.

The Rig Technician is primary responsible for performing day-to-day activities to ensure schedule works are completed in the set time frames. You will be delivering a number of Mainmark's core technologies utilising plant, equipment, and technical skills.

Remuneration and benefits to be discussed during interview.

About you

The successful candidate will ideally have previous experience in building, construction, engineering, underpinning and/or grouting. Must be able to physically operate in challenging conditions, mostly outdoors, with extended periods away from home and work effectively within a small team. You will also have a genuine commitment to safety and be mechanically and practically minded with the ability to problem solve.

Self-driven candidates, with a desire to upskill and a natural look-for-work attitude, will be best aligned to the capabilities and culture of the team.

Essential Skills

- Current HR licence
- White Card
- Excellent customer service skills
- Have the full right to live and work in Australia

We'd love to hear from you

To be considered for this role, please forward your CV and a covering letter to Head of People & Culture at careers@mainmark.com

Please note all applications are reviewed upon submission with only shortlisted candidates contacted further about the position. Successful candidate will be required to pass a pre-employment medical including drug & alcohol screen and functional fitness assessment.

Mainmark's Recruitment Team kindly request no unsolicited resumes or approaches from Recruitment Agencies. Mainmark is not responsible for any fees related to unsolicited resumes.
