

Supervisor

Mainmark Civil & Mining Services

Date Posted: 4 April 2022
Employment Type: Full-time

About Us

Mainmark is a privately-owned company and leaders in advanced ground engineering and asset preservation technologies. For more than 25 years, Mainmark has led the world in offering unique, innovative solutions for foundation repair, and rectifying problems in residential, industrial, commercial, civil engineering, and mining situations.

Mainmark Civil & Mining (MCM) Services is a subsidiary of the Mainmark group, and offers a range of specialist solutions for rectifying, rehabilitating, and preserving assets and structures within the civil and public utilities, infrastructure and transport, commercial, industrial and mining sectors.

Our people are committed and focused on providing our customers with a service that is right the first time.

About the Role

We are seeking a Supervisor to join our Civil & Mining Services division in NSW.

You will join a team that has a demonstrated ability to execute on projects in a number of civil and infrastructure environments. You will have the ability to take what you have learned and expand upon it by utilising new technologies, whilst actively seeking opportunities to further enhance your knowledge base. Some of the technologies and solutions we focus on are concrete pumping, grout pumping and injection, ground stabilisation technologies, chemical injection, concrete repair and coatings, hand and spray-applied cementitious and other lining technologies, drilling and anchors, waterproofing, and civil construction.

Remuneration and benefits to be discussed during interview.

Duties:

- › Concrete finishing/concreting
- › Concrete remediation, repair, and patching
- › Dual component chemical injection, polyurethane, and acrylate
- › Waterproofing and water stopping
- › Ground strengthening and stabilisation
- › Drilling, anchoring

About You

We are looking for integral members of the team who take pride in their work, can work autonomously, and ensure that we leave a lasting impression on the clients that we help each and every day. You should have had previous supervisory experience in a similar role or organisation.

Core Requirements:

- › Concrete remediation experience, and/or
- › Concrete pumping experience, and/or
- › Grout injection experience, and/or
- › Chemical injection experience, and/or
- › Waterstop injection experience, or
- › Other similar applications experience

Essential Requirements:

Supervisor

Mainmark Civil & Mining Services

- › Be physically fit and resilient
- › Hold a valid C Class Licence
- › White Card & EWP Tickets
- › Proof of COVID-19 vaccination

Preferred Requirements:

- › First Aider
- › RIW Ticket
- › Confined Space Certificate
- › MR/HR licence advantageous

We'd love to hear from you
